

Permission to display art work in B.C. Art Teachers' Association publications

The British Columbia Art Teachers' Association (BCATA) promotes art education in BC. It provides information such as unit ideas, current issues in art education, and professional development through printed publications, websites, social media and conferences.

The BCATA would like permission to display your photo (check all that apply):

- on the BCATA website (<http://bcata.ca>)
- on the BCATA Visually Speaking online magazine
- in the BCATA Visually Speaking - calendar edition
- on BCATA social media (check applicable platform): Instagram Facebook X
- in the BCATA professional printed journal

The purpose of this request is to showcase student artwork across the province and to provide unit ideas for teachers. Art displayed will include school name, child's grade and first name only for privacy reasons. Please contact your teacher with any questions. If you and your child give permission to post the artwork in spaces as checked above, please fill out the information below and sign at the bottom:

Student Name: _____

Grade: _____

School Name: _____

Title of Work (if any): _____

Medium (materials used): _____

Consent: By participating in this professional learning publication, I understand that photo and/or video of artwork could be stored in or accessed from a location outside of Canada, and I consent to my information identified above being stored in, or accessed from, a location outside of Canada.
