WHY ARTS?

Students...develop creative ways to communicate emotions, thoughts, meanings, and concepts through the arts, and they learn to respond to knowledge and perspectives that are embedded in language, movement, memory, image, symbol, and story. "I found I could say things with color and shapes that I couldn't say any other way—things I had no words for."

-Georgia O'Keeffe

"Art is the freedom to say things without actually speaking." -Alia L.
